

WOODLAND WALKS

CALLING ALL WALKERS!

PLEASE REMEMBER...

- Respect the wildlife around you
- Leave all gates how you find them
- Do not drop any litter

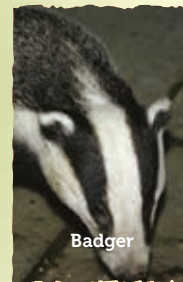

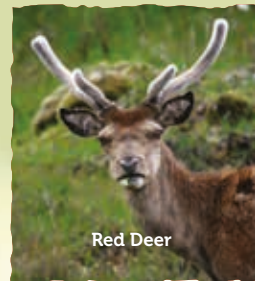

WARNING: For safety reasons we recommend that you do not walk in the woods in windy conditions.

STOWFORD'S WOODLAND WALK

The map alongside shows an area of woodland and how it relates to the position of the caravan park. As you can see, this provides some wonderful opportunities for walking and enjoying this beautiful area.

The woodland from Collacott Bridge (B) to Bittadon Ball (6) benefits from an excellent network of tracks and paths and so provides plenty of opportunities to explore, satisfying even the most energetic.
